Complimentary A/V
Complimentary continental breakfast

The Midwest Society of Association Executives is the professional society that promotes association effectiveness through education and leadership development. We are the association for associations in Minnesota, North Dakota, and South Dakota.

Hosting a Breakfast with the Experts program is a tremendous marketing opportunity for facilities to showcase their facility, food and services to association executives and meeting planners who look for facilities for their own meetings. If you are willing to do any additional items than what the requirements indicate, please note those in your proposal.

Facilities that host a seminar will be able to put information out at the session, are introduced, allowed time to talk about the facility and offer site tours following the program.

Feel free to submit your proposal by mail, e-mail or fax. If you have any questions, please contact Sarah at 651-647-6388.
