

MSAE Mailing List Rental

As a benefit to members, MSAE does rent the membership list as labels, or as an electronic file. This list is for one-time use only and may be used only pursuant to the terms of this agreement. The file may not be reproduced, copied, disseminated or entered into a computer database for future use.

Mailings sent to MSAE members must:

- * Be relevant to association management.
- * Not promote, market or otherwise solicit any programs or services that MSAE provides to its membership.

Prior to receiving the list, this agreement must be signed and MSAE be provided with a sample of the one-time mailing for approval by the President. If it is determined that the list is misused in anyway, I understand that I will be invoiced for an additional \$500 for each infraction, and other penalties as determined.

Email addresses are not provided.
